Dear Mustafa,

Thank you very much for your application. We received your data and will review your application in a multi-stage process and may send you additional tasks.

Below we are sending you a copy of your application, please let us know if there is any mistake or change in your data.

Any questions? Check our website for more informat on: www.powercoders.org

Thank you and warm wishes,

The Powercoders Switzerland team

-----Your Application-----

First-name

Mustafa

Last-name

AYDIN

00_Motivation

I know many of the AWS services and have an AWS practitioner certificate and want to do software work.

00_Strengths

I'm absolutely a self-learner and open-minded . I'am eager to learn.

00_Personal-Ach vements

I have been a volunteer firefighter for 1 year.

I designed 2 simple websites.

I am always motivated.

I have a proactive personality.

00_Learning

I brought my french level to B1 level in one year.

Received AWS Practitioner certification.
